MEMBERSHIP FEES ...NO PLAY POLICY

The payment and collection of membership fees has been improving over the last few years but this year, like with all areas of the Club we need to raise the bar and take it to another level and as a committee have put a new policy in place to govern this.

The most important point for ALL Senior & Junior PLAYERS to know is that membership fees **MUST** be paid at the absolute latest by Thurs, 2nd April (2 days before the first game) to be eligible to play.

If you have NOT paid or entered into an agreed payment plan with the Treasurer by then...you WILL NOT play until you have. This is not harsh...simply fair.

There is still an **"early bird" discount** if fees are paid by Sun, March 1st (see below).

It is in no-one's best interests for us to have enforce the NO PAY...NO PLAY clause, so please make sure you do the right thing by your Team mates and your Club.
